```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'graphsat::CounterActionFactory' on the top line and '::createSimpleCounterPAction' on the bottom line. The right box is white with a black border and contains the text 'graphsat::PointerData' on the top line and '::addPointer' on the bottom line. A blue arrow points from the right side of the left box to the left side of the right box.
