

timer::next

```
graph LR; A[timer::next] --> B[timer::getTime]
```

A diagram showing a call from the `timer::next` function to the `timer::getTime` function. The `timer::next` function is represented by a gray rectangular box on the left, and the `timer::getTime` function is represented by a white rectangular box on the right. A dark blue arrow points from the right side of the `timer::next` box to the left side of the `timer::getTime` box, indicating the direction of the call.

timer::getTime
