

timer::stop

```
graph LR; A[timer::stop] --> B[timer::getTime]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The first box on the left is shaded gray and contains the text 'timer::stop'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a black border and contains the text 'timer::getTime'.

timer::getTime
